If you answered yes to any of these questions, please consider becoming a Safe with Faith volunteer for Safe Havens Interfaith Partnership Against Domestic Violence and Elder Abuse. We are building a movement where faith communities take a stand against domestic violence (DV) and elder abuse. We need your help to make it happen!

We rely on volunteers like you to bring your congregation's voice to this movement. As a volunteer, you will help us stay connected to the specific needs of your congregation, bring training and resources to your community, and raise awareness about DV in a faith-based setting. Together, we can intervene and support victims and survivors of abuse in our community. We can transform our places of worship into "safe havens," cultivating a culture of healthy relationships and preventing future abuse.

Don’t wait to take a stand against domestic violence. Your community needs your support! Check out the volunteer position description at www.interfaithpartners.org/volunteer. Contact us today if you or someone you know is interested in joining our Safe with Faith program at amkatzman@interfaithpartners.org. We look forward to working with you and building safer communities together.
